

Yellow Label Toolboxes

ProMaxx toolboxes are the standard in rugged, weather-resistant toolboxes. These boxes feature a structured lid design which has an outer shell, an insulating middle layer and a unique reverse-beveled-edge lid liner. The combination of these three layers creates the strongest, most rigid aluminum lid in its class. To match the strength of the lid, our toolboxes feature a high-strength body with wider top rails.

- High-strength body design
- Heavy duty gas shock lid
- Built-in storage on both ends
- Lockable handles
- Self-aligning lid latch pins

Red Label Toolboxes

Push button industrial quality!

- Non-rusting .056 brite-tread aluminum
- Lockable push buttons for easy entry
- Internal bends add superior body strength
- Dampened gas shocks open at a steady, controlled rate
- Crowned lid with full length hidden hinge
- Double V-pan lid stiffener creates strength and rigidity
- Closed cell foam gasket helps resist the elements from getting inside the box
- Front, back and bottom are bent from a single piece of aluminum
- Removable plastic tool tray to keep smaller items organized
- Made in the U.S.A.

Stainless Steel Bed Rails

Polished stainless steel tubular bed rails feature premium-quality, hand-polished 1-1/2" 304 grade stainless steel tubes, and are designed to make your truck stand out from the crowd! ProMaxx side rails are polished to a mirror-like finish. They're available in fit-specific stake pocket mount, or universal-fit drill mount styles to fit most pickup beds.

- Universal styles available in 48-1/4," 61," 65," 72-3/4" and 85" lengths

- Custom-fit styles available for short and long beds with stake pocket mounts
- Premium quality 1-1/2" 304 stainless steel tubes
- Hand-polished to a chrome-like mirror finish

Racks

Our racks come complete with more standard features than anyone else, making them the best combination of value and performance in the industry.

- No drilling or cutting makes them easy to install
- All necessary hardware for installation included
- Racks can be removed in minutes for full and complete access to the truck bed
- Most popular crossover toolboxes can be used

Bed Mats

Our truck bed mats are made from the same rubber compound used in heavy duty tires. At 5/16"-thick, they provide the thickness necessary to protect your bed against dents and scratches.
